TESTIMONIALS

"Joining the FSSP Sports Leader Programme was one of the best decisions we made this year. Our group of 20 Year 6 pupils spent one hour per week, for 6 weeks, training with the FSSP Team on how to run the Year 3/4 Sportshall Athletics Competition. In each new event that they were introduced to, they were taught; how the event worked, and the skills involved, how to officiate the event, and how to best give pupils additional support if they needed it. Alongside this, they were able to practice and demonstrate incredible teamwork, highly effective communication with each other, the pupils taking part and staff from other schools, and increased in confidence. These skills are all transferable, and so will support the children in other aspects of school life. Watching them officiate at the event on the day, I felt extremely proud of how far they had come, and it was lovely to get such positive feedback about them from other PE leads in our partnership."

Lori Greenglass, Co Headteacher, Clifton Primary School

"Taking part in the Sports Leader Programme was brilliant! We all really enjoyed working with Martin and Juma each week to learn about all of the events in the Year 3/4 Sportshall Athletics Competition. We all increased our teamwork skills, communication and confidence which helped us demonstrate our school values of unity, respect and determination. We are looking forward to organising and officiating our cluster Boccia and Kurling Festival at the end of this term too!"

Asmaa and Kareema, Year 6 Sports Leaders – Clifton Primary School
